ADMISSION NOTIFICATION 2019-20

Karnataka State Open University has implemented 'ON LINE' admission procedure during the academic year 2019-20 with effect from 06.05.2019. Since the 'ON LINE' facility is not easily available to the students of the rural area, in the interest of the students, 'OFF LINE' admission (it means obtaining the applications directly for admission) procedure is also implemented. Therefore, opportunity is provided to the students to obtain admission applications directly from the central office of Karnataka State Open University, Mysore and also from all the Regional Centres of this University for their admission.

Symultaneously, facility of 'ON LINE' admission is also continued. Therefore, students may also submit their admission applications through 'ON LINE'. Students who are submitting their admission applications through 'OFF LINE' need not submit again through 'ON LINE'.
